

GB The final colour obtained depends on the original colour and type of leather used. (Test its result on a sample.) Prepare your colour mix in a sufficient quantity for the surface to treat. To finish, we recommend the application of **CREME SURFINE SAPHIR**, **CANADIAN** or **JUVACUIR** in case of damaged leather.

F La couleur obtenue dépend de la teinte et de la nature du cuir. (faire un essai préalable sur une partie cachée) Faire un mélange en quantité suffisante pour la surface à traiter. En finition, nous recommandons d'appliquer la **CREME SURFINE SAPHIR** ou le **CANADIAN** ou le **JUVACUIR** dans le cas où la fleur de cuir serait endommagée.

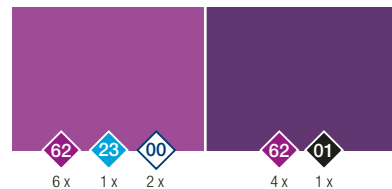

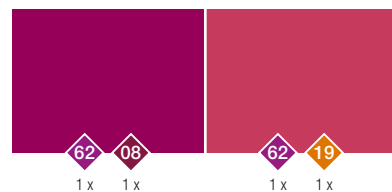

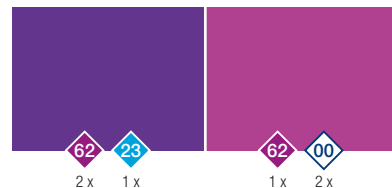

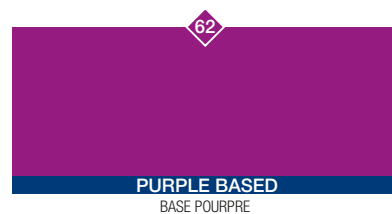

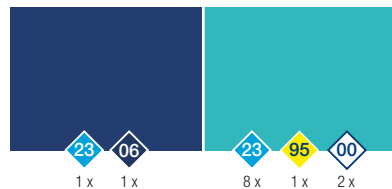

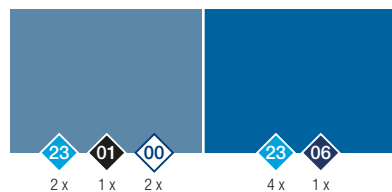

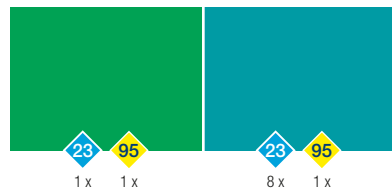

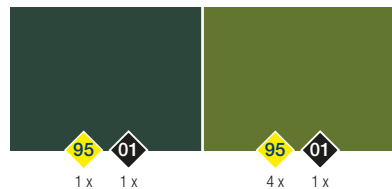

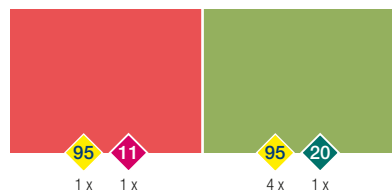

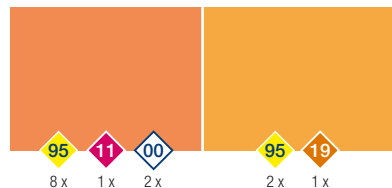

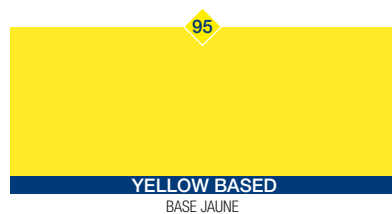

ES El color final obtenido depende del color y el tipo de cuero utilizado. (Hacer una prueba en una pequeña muestra.) Prepare siempre cantidad suficiente de su mezcla de tintes para terminar la superficie elegida. Para terminar recomendamos la aplicación de **CREME SURFINE SAPHIR**, **CANADIAN** o **JUVACUIR** en el caso la superficie del cuero resulte dañada.
